The Interstate Soccer Football League of Scranton, Pa., whose season is divided into two sections, Spring and Autumn, had a thrilling finish to its Spring play. Three of the ten competing clubs tied for first place—Old Forge, Rangers and Peckville—and Celtic, in fourth place, was but a single point behind the leaders. The second half of the season started in September. The final standing of the first half of the season, ending May 20, 1923, was as follows:

Club.	W. L. D.			Goals			Club.	W. L. D.			Goals
