

Cargile, both strong players but lacking in experience. Patchell on the right and Earnest on the left were always there when it came to breaking up plays and always showed their work in critical times on the field. Waters, the right back, has now played for two seasons and plays one of the best defensive games of any of our players. Maxwell, our left back, is also a hard man to pass with the ball and seems to be right there at the right time. Lewis, at goal, has also shown his ability between the uprights by saving many a hard shot for goal. The team as a whole is very evenly balanced and, with weight behind them, they would be in the line to compete with the best. Our record of league and friendly games are as follows:

Golden 2, Gordons 3; 4, All-Stars 1; 3, Gordons 3; 2, Gordons 5; 2, Denvers 5; 3, Annunciation 0; 4, Annunciation 1; 2, Crescents 3; 4, Crescents 2; 4, Manual High 1; 7, All-Stars 2; 7, Manual High 0; 0, Sacred Heart 1; 2, Denver 7; 1, Sacred Heart 0; 2, Gordons 5.
